Principal's Message

The year 1984 will be remembered as the year during which SCHOOL SPIRIT at Bonnie Doon rose to an all time high. This spirit overflowed into all aspects of school life, and consequently created an exceptional atmosphere of harmony and cooperation.

Together, the Staff and Students created this Spirit of Harmony by tackling many major projects. Without doubt, the National Volleyball Tournament, a monumental undertaking, said to be impossible, was undoubtedly the major additional undertaking of the year. The Students, the Staff and the Alumni-Parents' Association are to be commended for their collective efforts in staging this outstanding success. They accomplished the impossible.

The Class of 1985 will leave the Halls of Bonnie Doon in June. They will, however, not go alone, they will take something of the spirit of togetherness which is now at Bonnie Doon, and which they helped create. Bonnie Doon will be stronger in spirit and goodwill because of their leadership. Our Best Wishes go with them for this legacy of togetherness.

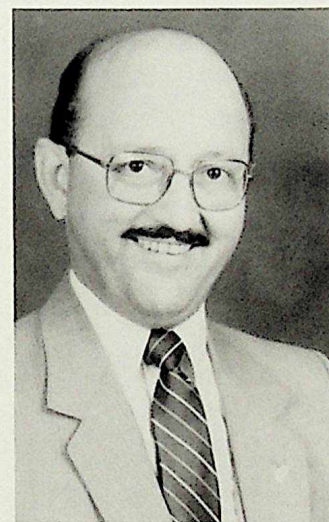

Mr. D. Bradford
Principal

Assistant Principals

Mr. T. Mowat has had twenty years of experience in four different High Schools in Edmonton.

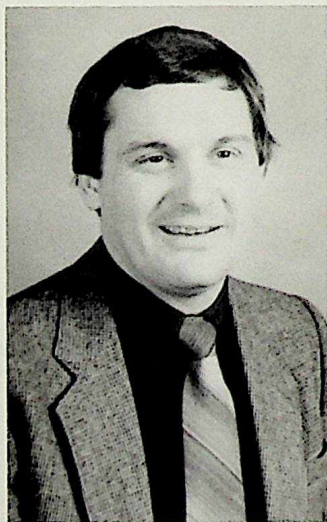

His chief concern is the well-being of the students, and graduating them with the highest marks possible.

He hopes to achieve this at Bonnie Doon with high expectations, a few definite rules, and all kinds of T.L.C.

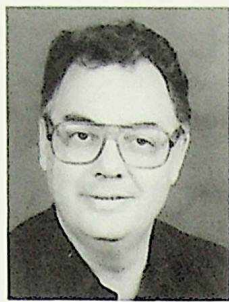

Mr. K. Brice has had teaching experience in Alberta and Saskatchewan, including the University of Alberta. His philosophies are that success lies not in being the best, but in doing your best. Winning is not important, but striving to win is.

His hopes for Bonnie Doon are that Bonnie Doon is known as a school that cares about students, and that students care about their school.

Clubs

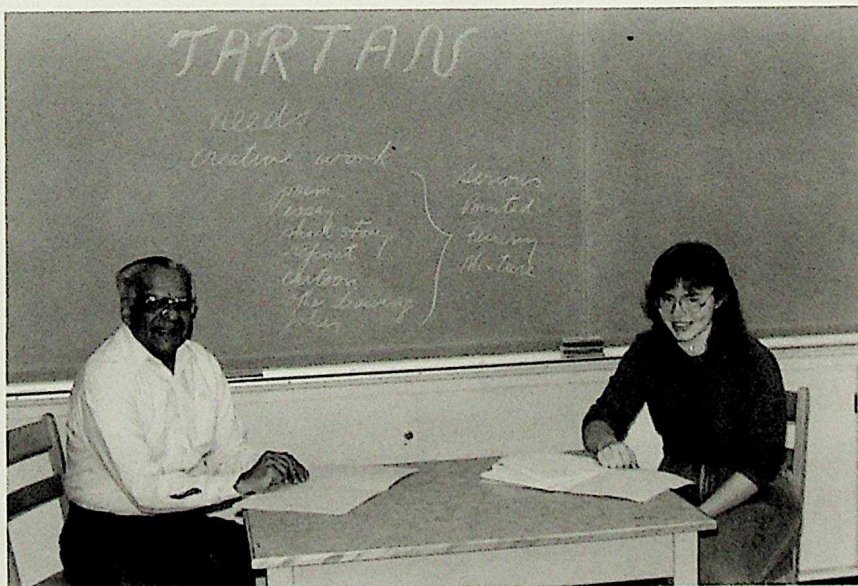

The KOINONIA CLUB meets once a week over lunch to socialize, to discuss topics of interest and to study the scriptures. They sponsor some social action projects such as making posters to discourage littering, gathering money for the food bank and Ethiopia. Before Christmas break they enjoyed a potluck dinner of festive goodies; and at the end of the year, a picnic. Other social activities have included movies, bowling and rollerskating.

James Palathinkal, Annammá George, George Vemhazhasse, Anja Nasic, Mrs. L. Bruse, Kathryn Elford.

The COMPUTER CLUB is an informal group that meets sometimes at lunch hour and after school on Wednesdays. The purpose of the club is to give students studying computers extra time to work on class projects as well as time to discover new applications of the computer.

The TARTAN is an annual feature at Bonnie Doon. It is the magazine by and for the students. Students contribute, students edit and students put it all together. It is a little outlet for some of the creative efforts of some of our students who enjoy creating and sharing. It is printed and distributed towards the end of the school year. A small monetary contribution is solicited to cover the costs of printing, binding and procuring a few prizes. Sponsor: Dr. Ongkar Narayan. Editor: Sharon Hoeppner.

The **CHEERLEADING CLUB** worked long hard hours to prepare a dance presentation for the Lancer Cup Opening Ceremonies. Their colorful and unique presentation was a great success and helped establish a mood of excitement and vibrancy for the tournament. Squad members worked on establishing costumes, cheers and spirit in order to rebuild a strong club to cheer on the Lancers.

RADIO BONNIE DOON, the second largest club in the school had a membership determined to make lunch hours pure heaven. Be it Bach or Rock - Punk or Funk, you heard it lunch hour after lunch hour. This dedicated group was willing and able to put on lunch hour soc-hops for the Students Union. Membership requirements included a working knowledge of a tempermental P.A. system, 629 blank cassette tapes, the "top 40" records and the ability to spend lunch hours in an airless overheated fume filled P.A. booth. It was a tough job but someone had to do it.

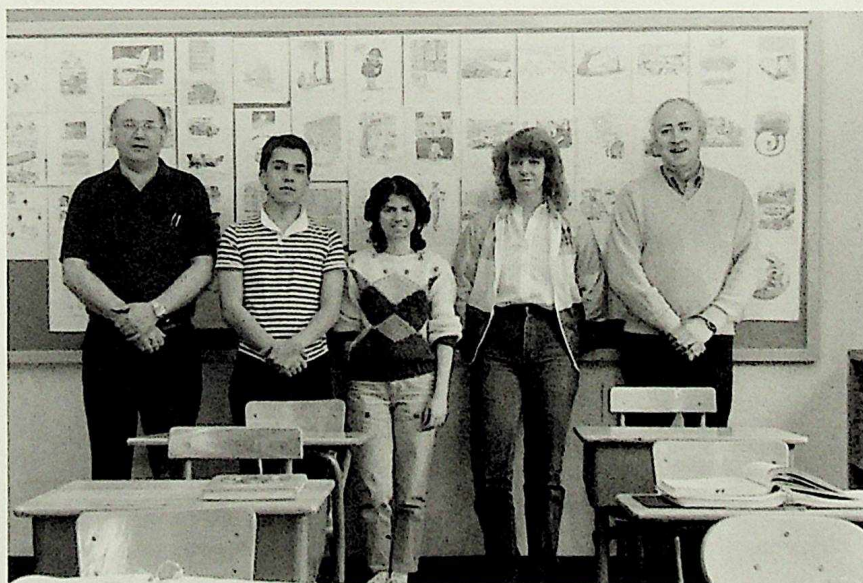

FLOATING, Left to Right: Darlene Hildebrandt, Byran Restau, Erwin Schulz, Sandra Winitoy, Sharon Hoeppner.

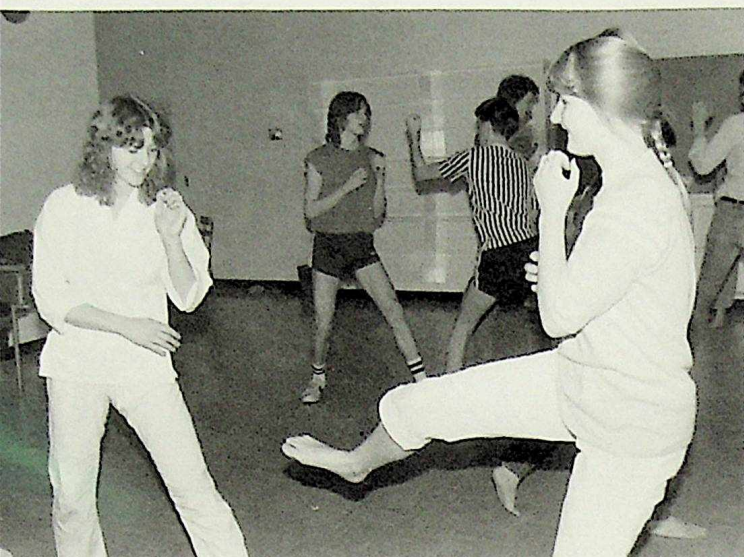

STANDING: Mark Andrews, Aron McNabb, Jason Favell, James Richards, Kenneth Benson, Darren Ozubko, Tammy Day, Carol Kowal, Giesela Kempf, Mr. Gainer.

The **PHOTO CLUB** served two main functions this year. First, it did a terrific job of being the "Official" Lancer Cup photographers. For many, this was a new challenge involving split-second reflexes. The photos were of high quality and interesting variety. Second, the club did the Yearbook photography. This is a demanding, unending, patience-taking, frustrating job; but nonetheless great fun and generally exciting.

The KARATE CLUB, which is affiliated with the Panther Karate Studios, has 12-15 dedicated members who work to keep the club self-supporting. The Mo-Kempo Kick-Punch style, which originated in China during the 600's is the one used by the club. This year, 3 students reached the orange belt level while 4 students earned the white belt II.

BADMINTON at Bonnie Doon operates at two levels. The noon-hour recreational Badminton, which produces an opportunity for all students to enjoy the sport, was very popular this year with many students coming out regularly and participating.

The Badminton Team, this year suffered from lack of female participation. All team members had an enjoyable time despite the fact we did not do too well in our matches against other schools. Congratulations to Lakhvinder Viridi who came in second in the City Boys' Singles competitions. Next year!!!

CAMPUS LIFE IS ...

- * *for anyone and everyone*
- * *fun and crazy times*
- * *hayrides, giant banana splits, ski trips, nuclear pizza party, stop and slop, and*
- * *summer trips and activities*

Most important though, Campus Life is friendship, support and guidance in Christian values and principles that help to make us complete and fulfilled. Through developed relationships in the school it aims at sharing - that there is hope and meaning for life. They're interested in where you're at and where you're going.

Special thanks to Miss Kreutz for her role as teacher/sponsor.

The TABLE TENNIS CLUB
operates three times a week during the noon hour.

The club is opened to anyone who is interested in playing for leisure or competition purposes. Practicing table tennis can increase one's eye-hand coordination as well as the entire body. Come and join them and have some fun!

Conquering

The CYCLE CLUB was formed in 1984 by the students of Bonnie Doon under the direction of Mr. Eastcott. The club offered its members the opportunity to learn about cycling, maintenance of equipment, and offered travel through cycling. At that time it started with one day local tours; with the finalee being a six day tour from Jasper to Banff during the 1984 summer holidays. The club has now grown, not only in membership, but in objectives. The club completed several local training tours, tours of provincial parks and organized a European Tour for July-August. Hundreds of hours of fund raising were put into this trip to make it affordable to all.

The tour included 33 days of cycling through Europe, meeting people and enjoying the sites. The club encourages new members to join and hopes to grow bigger in 1986.

Mountains

The SKI CLUB, made up of about 100 members, had another very successful year; helped in part by ample snow in the mountains. In December, prior to winter break, the club went to Lake Louise for two days of skiing. Conditions were excellent and the slopes were not crowded. In early February, the club went to Banff and skied one day at Sunshine and one day at Lake Louise. Again, conditions were excellent and everyone had a good time. The final trip of the year was an extended trip to Big White near Kelowna, B.C., one of the finest skiing mountains in Canada. Ample snow and pleasant temperatures made skiing a pleasure.

Sports

Effort and ...

The SENIOR FOOTBALL TEAM put out a comendable effort during regular league play, with four wins and three losses. We beat some very competitive teams such as the Harry Ainlay Titans and the St. Francis Xavier Rams and lost close games to the Salisbury Saints and Jasper Place Rebels. We finished fourth in our division and went on to the Premier Conference quarter finals where we

suffered a disappointing eight point loss to the undefeated Ross Sheppard T-Birds. Barton Cochard led the offence with six touchdowns followed by Sean Melnychuk with five and David Frazer with three. Our defence was also outstanding with Mike Garner winning the Haliburton trophy for most valuable player in the league. Great going guys!

... Hard Work

The JUNIOR FOOTBALL TEAM was composed of thirty-one dedicated, hard working young men. Our average weight was only one hundred pounds yet through a great effort by all we were able to win four games, out of the nine games we played. Our team made it to the city play-offs winning the quarter final, and losing by six points in the semi-final.

Bonnie Doon can be proud of these hard working young players.

SENIOR TEAM I had an excellent season, finishing 1st after regulation league play. In the play-offs, the team won both their quarter and semi-final matches, but lost to Harry Ainlay in the championship game, which placed them in second in the Premier Conference. This enabled B.D. to represent Edmonton at the Provincial Championships for the 3rd year in a row.

At the Harry Ainlay TVT tournament, the team, defending champs, garnered the bronze medallion. The team competed in the first ever Lancer Cup against top teams from across Canada, and won the consolation trophy.

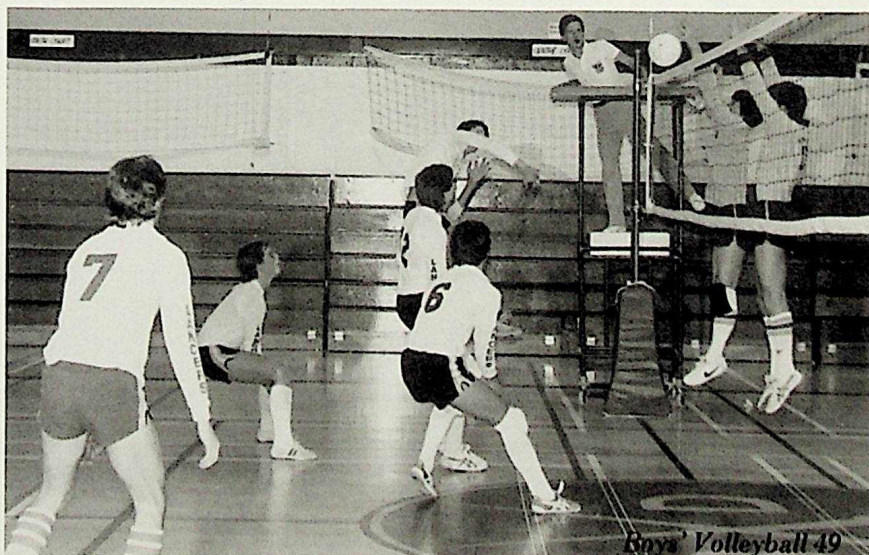

SENIOR TEAM II started in the third division and after going undefeated in the first round, were promoted to the second division. Due to a number of bad breaks, the team was demoted back to the third division and again went undefeated. The team began the City Conference play-offs in second spot. Things looked bright until a heart-breaking loss in the semi-finals.

The team finished 3rd in the Grant MacEwan IVT.

The JUNIOR TEAM began their season by winning the M.E. Lazert Tournament. The team was in 2nd place in the Premier Conference after round-robin competition. In the City quarter final play-offs Bonnie Doon bowed out to Ross Sheppard in a very closely contested match.

The **SENIOR GIRLS' TEAM** had a long but enjoyable season. Experience in tournament play was a major factor this year. There were six tournaments in all, including HWW-Calgary, Harry Ainlay's TVT, Jasper Place, University of Alberta, and our own Lancer Cup Tournament. Audra Stevenson was named an all star in the Lancer Cup. A lot of new friends were made throughout the season, challenges were met, and insights gained.

Effort and Spirit

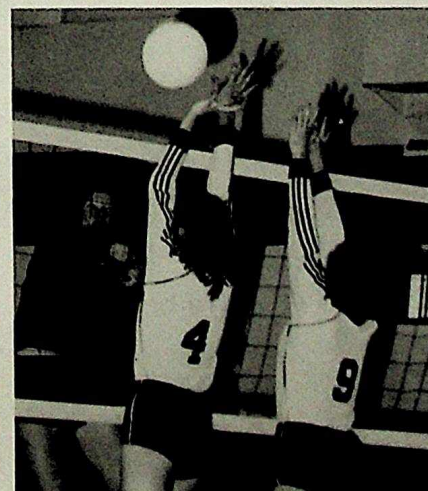

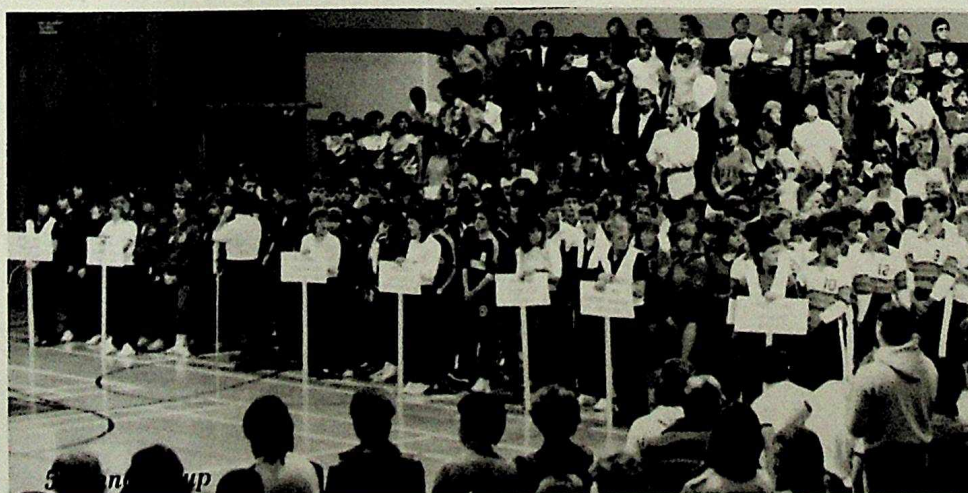

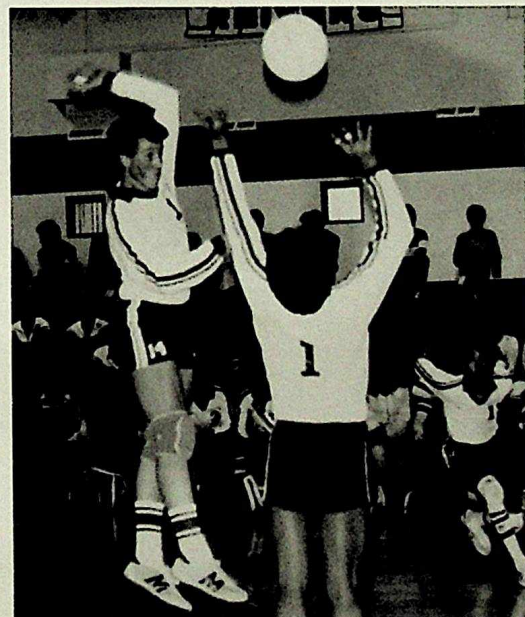

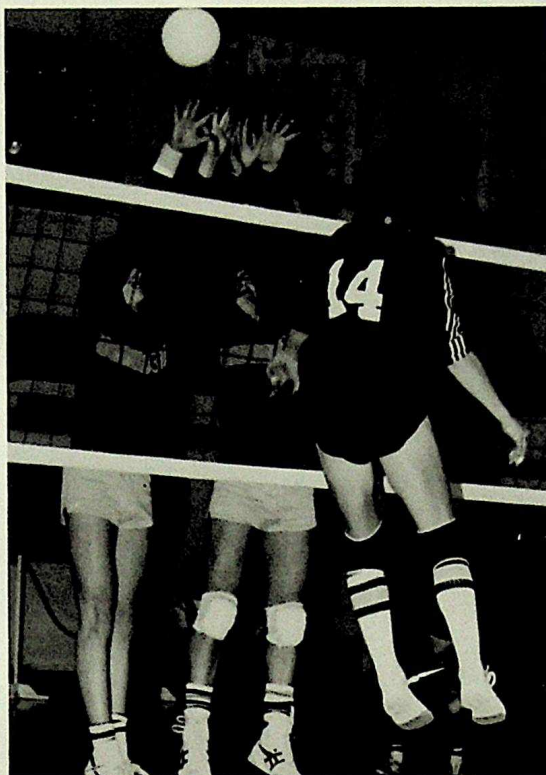

With only one returning player, this was a year for the JUNIOR GIRLS' TEAM to rebuild. The girls suffered from inconsistency this year, playing well one day and poorly the next. However, by the end of the season, the team's performance was considerably improved. All in all, the team showed great effort and spirit through the year. Hopefully, with a few returning players, the next season will be a more productive one.

Bringing the Country Together

Bonnie Doon literally brought the country closer together from October 31st to November 3rd this year. Volleyball teams from British Columbia to Newfoundland came to Edmonton to participate in Bonnie Doon's Lancer Cup. An extreme amount of spirit was shown for both Bonnie Doon and the other teams. New friends were made, and a good time was had by all. Whether participating, helping out, or just being a spectator, everyone felt a great sense of togetherness. Many thanks should go to all who helped, especially Mr. J. Edey, to make the Lancer Cup a big success.

PICTURED BELOW: The Kildonan East Reivers from Winnipeg, recording no losses, won the girls' championship. The Malvern Black Knights from Toronto lost to only one team and then went on to defeat the same team to win the boys' championship.

A Good Season for Learning

The SENIOR LANCERS had a generally successful year ending up with a 50% win/loss record. This statistic however was not indicative of their season accomplishments. Many of the games were one or two point loses and at times the team proved they could play against anyone in the city.

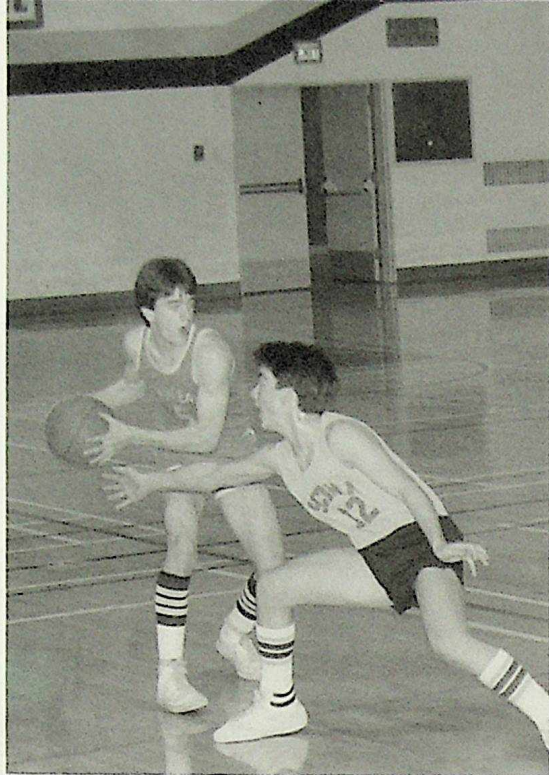

The Lancers played in three tournaments this year. In the Capher Tournament they lost in the consolation final; however, they won the consolation in Grande Prairie and took 3rd place in North Battleford, Saskatchewan. In the City play-offs the Lancers lost a disappointing one point overtime game which ended their season in the quarter-finals. The coaching staff is looking forward to next year's season.

BACK ROW: Mr. E. Lotz, Coach, Darryl Rosell, Dan Beaton, Slade McCormick, Mark Lotz, Karsten Kelm, James Lamouche, Mr. L. Lerbekmo, Coach.
FRONT ROW: Sandy Neil, Troy Marchak, Doug Beaudry, Norbert Janke, Jeff Rawlings.

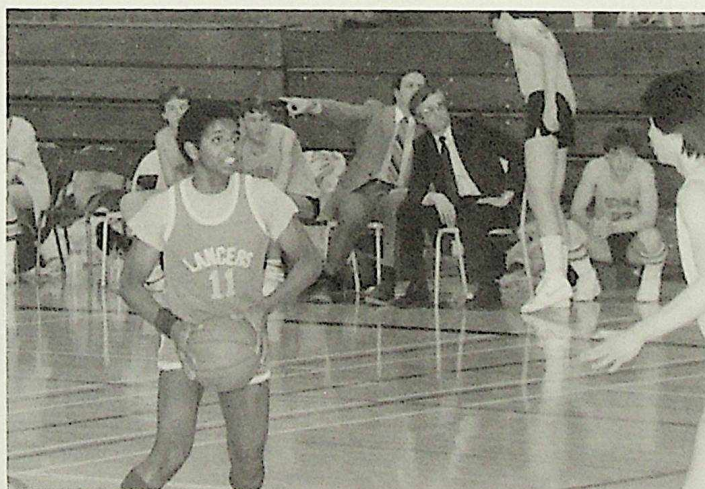

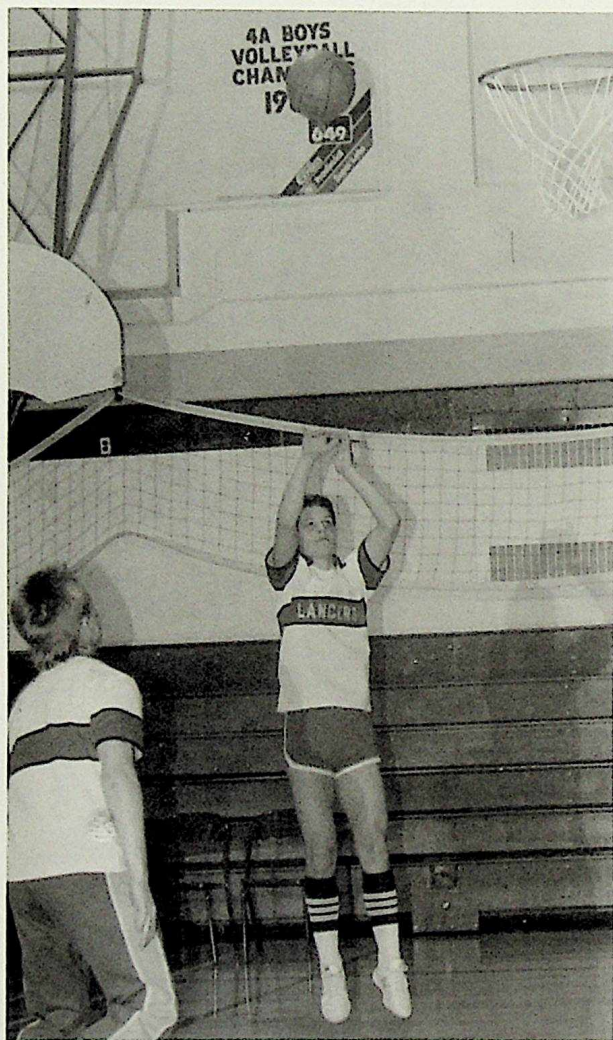

The JUNIOR LANCER TEAM consisted of an interesting mixture of young men from grades ten and eleven. Interesting because backgrounds and experience were so varied. Many players realized their potential and improved their skills. Their season, though not a success on the scoreboard, was certainly a success as a learning experience and as a vehicle for new friendships.

BACK ROW: Mr. T. Ross, Coach, Dave Stachniak, Dan McCreedy, Carl McLeod, Darby Higdon, Doug Reid, Haripaul Pannu, Don Neurauter.

Ups and Downs

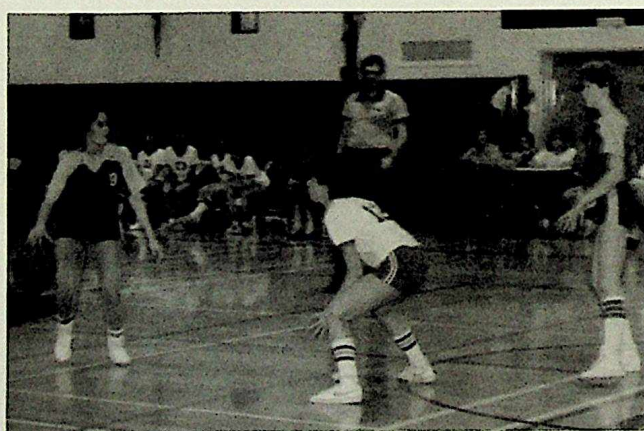

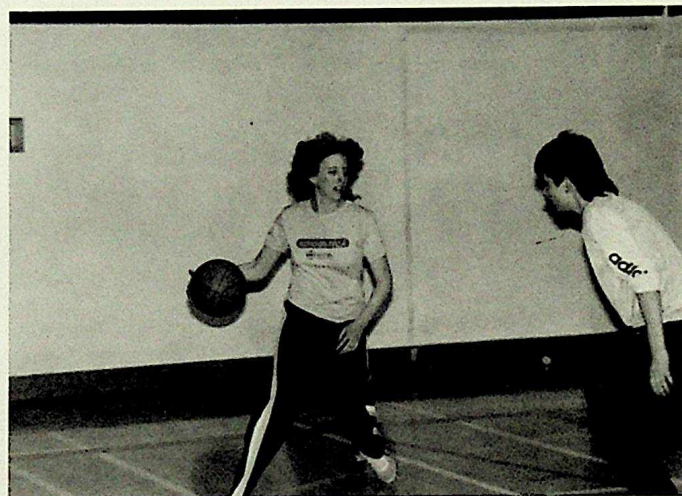

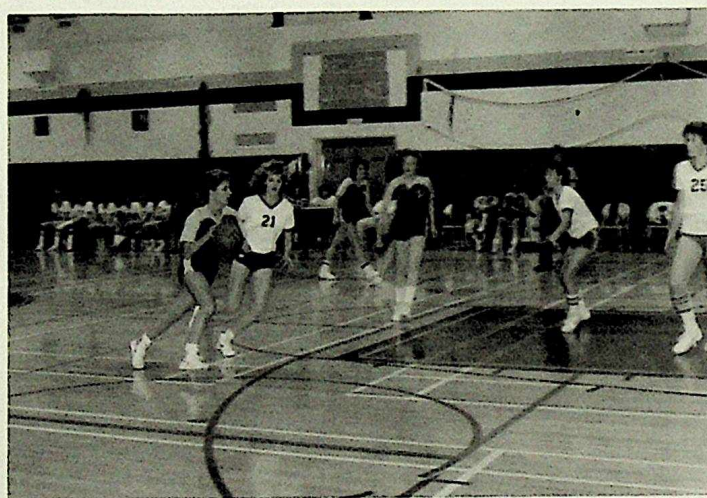

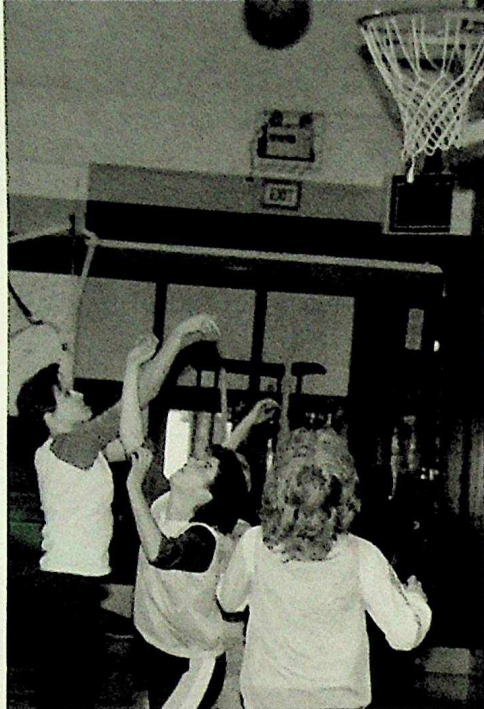

This year's SENIOR TEAM had a long and hard season. They finished second in the Drayton Valley Tournament. Many thanks to Coaches Shannon Schurmann and Ray Jorgenson for their fine work and help with the team. The team put up with many up's and down's. They had a couple of crazy practices when they dressed up as tacky tourists and as spaced out Hawaiians.

*BACK ROW: Shauna Milne, Deb Mathieson, Lu Kruyer, Mandy Vettese, Linda Gerow, Teresa Mardon, Miss S. Schurmann, Coach.
FRONT ROW: Holly Morin, Irene Sommerfeldt, Connie Feigel, Heather Reid, Carolin Fuller.*

The JUNIOR TEAM enjoyed limited success this season. After many challenging games in the City Conference, the team looked forward to defending their last years victory in the Drayton Valley Tournament, but they had to settle for a second place finish. Most of the games they lost were close. A few devastating loses prevented the team from making the play-offs. The team developed greatly and all look forward to next season.

A Spirited Team

Andy Chan, Mike Grygus, Tri Chung, Mark O'Brien, Robert Charchun, Mike Payne, Ken Thomas, Norbert Janke, Shane Funk, Carey Grenke, Bunleng Kromkhunthod, Carlos Melara, Rae Khaddage, Mr. Ulrich, coach.

The SENIOR TEAM had 3 wins, 6 ties, and 3 losses. They participated in an EMSAA indoor Tournament (3rd place) and a Golden Bears Outdoor Tournament for a total of 20 games. The team put in good performances against those teams which were major soccer powers. Robert Charchun, Carlos Melara, Rae Khaddage and Mark O'Brien were chosen for the all-star team. Carlos Melara was also invited to try out for the pro-team, The Brickmen. Mr. Ulrich was chosen as the all-star coach for Edmonton South.

A Few Bright Spots

BACK ROW: Mr. Krull, Coach, Terry Porfon, Abhay Shah, Duane Taylor, Carl McLeod, Kouroos Behzad, Kevin Herbert, Jeremy Bowers, Joe Sekida.

FRONT ROW: Ted Carizon, Nader Behzad, Brett Stephenson, Pat McClary, Ranjiv Bedi, Farzin Jafari Seyed.

MISSING: Fernando Pardo, Benji Leung, Derrick Lau, Dan McCreedy.

The JUNIOR TEAM had a long and sometimes frustrating season, but there were a few bright spots. The improvement from the first game to the last game was quite impressive.

Many times this year the team outplayed the opposition, but had trouble finishing the plays with a goal. Joe Sekida, Carl McLeod and Pat McClary were our leading scorers. Special mention must be made to Fernando Pardo and Kouroos Behzad as they were the most improved players over the year.

UPPER LEFT: Carl McLeod controls the ball.

MIDDLE LEFT: Action by the goal.

LOWER LEFT: Duane Taylor intercepts a pass.

LOWER RIGHT: Joe Sekida challenges for the ball.

A Season of Victory!

The team did very well this year with only one defeat. The girls proceeded to the City Finals against Paul Kane and came out victorious. The team won, thanks to overtime flicks by Robbin Thurn, Cheryl Cox, the great goaltending of Barb MacGillivray, and an overall good team effort. The girls were entered in a tournament in Burnaby where they once again strutted their stuff. Special thanks to the coaching staff, Bev Wolfert and Ms. Holder.

BACK ROW: Bev Wolfert, Ass't. Coach, Jo Winchester, Joanne Lockert, Shelby Cook, Robbin Thurn, Linda Gerow, Lisa Broks, Connie Surry, Barb MacGillivray, Ms. S. Holder, Coach.

FRONT ROW: Venus Olson, Angie Celino, Claire Williams, Denise Gee, Cheryl Cox, Sherree Bacon.

FRONT ROW: Connie Surry, Darlene Heidemann, Holly Morin, Cindy Woroschuk, Pam Challoner, Debbie Mathieson, Sandy McLeod, Loreen Broemling, Kris Ly, Yvonne Dinnery.
MISSING: Colleen Moskalyk, Renee Loisel.

Close Games

The team had many close games this season. Many noticeable changes took place among many players. Sandy McLeod finished off the season as a very strong goalkeeper. Audra Stevenson and Marla McDonnell were chosen to play in the NAIT all-star match.

The girls' skills improved enough to get the team to the semi-finals in the City Conference. The quarter final game was heart-stopping, going into 3 rounds of overtime and penalty shots before B.D. won 5-4. The semi-final at St. Joe's was a close game and the girls' played 100% right to the end. The team felt the season was a huge success and ended it off with a picnic at Hawrelak Park.

FRONT ROW: Trevor Federkiewicz, Dave Vojtisek, Greg Lechelt, O.J. Lepps, Danny Beaton, Mark Janke, Ken Madden, Andy Berdahl, Pierre Belley, Rick Wainwright, James Pryma, Marrel Payne.

The 1984-85 Rugby season started early with indoor touch Rugby each Thursday noon from January onward. Serious indoor training began March 1st with outdoor practices beginning April 1st. Coupled with the skills practice was a work-out in the fitness room. The team was not big, but it was one of the fittest in the league. The season was quite successful, although play-offs eluded the team's efforts. The Lancers won three exhibition games and tied one. Two of the four league games were won; the two losses were by the narrowest of margins.

An Outstanding

The Bonnie Doon TRACK TEAM experienced success in many areas this year. They participated in two interschool Mini-Meets which were for practice only. Then the team met with half of the Edmonton High Schools for a Divisional Meet. With a strong showing from many of the athletes, Bonnie Doon placed a close fourth. From this meet 21 athletes qualified to go on to the City Meet on June 1. Only the top two competitors per event at the City Meet could go on to participate at the Provincial Meet held in Calgary on June 8. Bonnie Doon qualified Teresa Rich who ran the 200 m, 400 m and the Girls' Relay; Nikki Glandon qualified for the Long Jump and Hurdles. Both athletes did a fine job representing Edmonton. Congratulations to all competitors for their fine efforts.

Memories

As we look back on the year we remember many things: moments of happiness, moments of sadness, experiencing love, the feelings of heartbreak, times of confusion and times of confidence. It is at this time, during adolescence and high school, we experience many emotions for the very first time. Now we have only to go forward; although we will never be able to turn the clock back, the one thing we will always have are the memories. The memories which we shall cherish for the rest of our lives.

The **BAND PROGRAM** has come a long way in a short time. Beginning with the concert band, the program slowly added more groups until eventually a myriad of ensembles had been developed. Included in these were the jazz band, the clarinet choir, saxophone quartet, brass quintet, percussion, and finally the jazz combo.

As Christmas approached, the members of both the concert and jazz bands put on a concert in their school, and also performed in a number of malls around the city, spreading their good will in the form of music. The bands were involved in a variety of festivals throughout the year. They attended the Stony Plain Festival and came first in their class.

The **JAZZ BAND** attended the Northern Alberta Stage Band Festival and also the Kiwanas and Red Deer Festivals. As the year progressed, the students prepared themselves for their annual trip. This year's destination: San Francisco.

While staying there, the students got a chance to see all of the great San Francisco sights, but also expressed their musical talents in concerts throughout the city.

When, it seemed that the year was coming to an end, there was one more thing to look forward to, -the banquet. A formal event filled with the excitement of receiving various awards and a last chance to talk with fellow band members.

Test-tube Babies?

March 30, 1985, 18 students and 3 teachers met at the airport, boarded a CP Air jet and flew to Victoria, B.C. The group rented vans and headed into the city of Victoria for an overnight stay. In the morning, the group departed for "Sea-World" where they had a chance to observe many specimens of marine life. After a long trip on logging roads, the group finally reached Bamfield their "home away from home" for the next four adventure filled days. Bamfield is a small fishing village on the south-west coast of Vancouver Island and the site of the Bamfield Marine Biology Research Station. The marine setting of this facility made possible adventurous and exciting expeditions to: an ancient Indian village, sea caves, beaches with enormous surfs, and rocky islands inhabited by many species of marine plants and animals. The group hiked through rain forests and along beaches with beautiful tidal pools teeming with marine life. Much of the time was spent on the ocean and marine specimens that were brought back to the laboratories for further examination and study by the group. Activities ranged from raising test-tube babies (spiney sea urchins) to fish printing and sea weed art. Sea weed was pressed, eaten, munched on, used to make candy and wash faces. The group's dissected sea cucumbers became deep fried appetizers at supper time.

Explorations

Bonnie Doon held its successful OPEN HOUSE on Wednesday, April 10. Special displays were organized on a Scavenger Hunt Tour in which parents and students scurried into the various nooks and crannies of the school seeking to find out such things as "How many musicians are performing in the Cafeteria?" And "What is unusual about Bonnie Doon's Kool-Aid?" While the number of visitors who attended was not as large as last year, a good number of patrons toured the school. Each department contributed and put out interesting display material. The ESL and Modern Languages Departments again combined to duplicate the successful "Cafe International" which offered different items in a relaxed atmosphere. The Bamfield group showed the material from its excursion to the Marine Station on Vancouver Island and the Art Department displayed its Handburger. All in all, a fun evening.

The Big Crunch

For the fourteenth year in a row, volunteer contestants participated in the Bonnie Doon Bridge Building Derby. The contestants, from the Physics 30 classes, designed and built model bridges as a test of their ingenuity. All the work was done at home, out of school hours. On the day of the "Derby", Professor Simmonds representing the Civil Engineering Department at the U of A made his yearly appearance to help conduct the tests and to analyze the results. The models were subjected to an increasing load placed right at the center of their deck. Eventually some part had to break loose. The TV instant replay was then used to determine the maximum load that the bridge withstood. This value was then divided by the weight of the bridge to obtain the "Quotient" which is a measure of the efficiency of the bridge. This year's winner, Hana Rais, produced a marvellously efficient bridge whose quotient was 1513, which means the model held up that many times its own weight. A remarkable achievement and one which will be very hard to beat in years to come. Along with congratulations, Hana was presented with a valuable reference book on Physics and Chemistry.

Cuisine International

The FOOD STUDIES 20 AND 30 classes at Bonnie Doon High School presented an International Food Fair on Wednesday, June 12th. Guests included many staff members and a few parents. There were over 35 different foods to sample from all over the world including a Canadian Heritage buffet. Each of more than 15 countries were represented at booths displaying pictures, maps, flags, typical ingredients and one dish from a particular area. The students had been studying the food customs and eating habits as well as trying out numerous dishes in their laboratory. This was an event enjoyed by all as well as a creative learning experience.

This year Bonnie Doon saw another workshop production written, directed and performed entirely by students. The play was called "The Laughter Lingers On" and was written by Barb MacGillivray in dedication to the memory of her father, A.W. MacGillivray. Auditions started early in May, a cast list was posted, and rehearsals were held every noon hour. As opening night approached, rehearsals were increased to early mornings and after school, and the nervousness began to show in both cast and their directors. The play was taken over to Good Samaritan Place (a senior citizens residence) where both cast and crew were warmly received. There were three other performances held at the school which were well attended.

Bonnie Doon's Finest

On the evening of June 11th, our Annual Awards Night was held to recognize the outstanding students of the school. Mrs. Dean hosted the evening and the various teachers presented the awards which included Honours, Service, Fine Arts, Athletic and "Special Awards". The "surprise" awards added suspense and jubilation and ended a very enjoyable evening.

Good evening, honored platform members, ladies and gentlemen, and fellow graduands.

Looking back over the past three years, I see a seemingly endless collection of achievements and occurrences of which we can be most proud, and which, if I were to relate them to you, would probably bore you to death. I should therefore like to speak of some of the more humorous things and perhaps, some of the more naughty things that have lightened our education.

In September, 1982, we entered the hallways of Bonnie Doon for the first time. Our hearts were beating rapidly, and our palms were a little sweaty, undoubtedly due to the impending threat of being "froshed."

A few weeks later, after being beaten into submission by the older students, and after being lectured into line by the teachers, these Junior High School Graduates could now call themselves High School Students.

In the fall of '84, Bonnie Doon hosted the "Lancer Cup" the first National High School Volleyball Tournament ever held. Fourteen teams from across Canada participated in the four day event. Our Boy's team placed first in the consolation event. The Girl's team placed fourth. A tremendous effort was put out by staff and students, with special recognition going to Mr. John Edey, the coordinator of the tournament.

Basketball, Soccer, Field Hockey, Football, Volleyball and Rugby were also very successful. Hats off to the Physical Education Department for a job well done. I even understand that the Senior Boys' Basketball team has one good player.

As always, clubs abounded, varying from the arts, sciences, and athletics, to perhaps the most disorganized, yet most efficient of all ... Bootlegging.

The Fine Arts Department has once again brought honor to Bonnie Doon. The Drama Department put on two very successful productions. In 1984 the play was "Don't Tell A Soul" directed by Venus Olson. In 1985 "The Laughter Lingers On", was written and directed by Barb MacGillivray.

The Music Department has been doing a spectacular job. The band toured various locations, ranging from the picturesque swampland of Lake Wabamun, to Toronto, and this year to San Francisco.

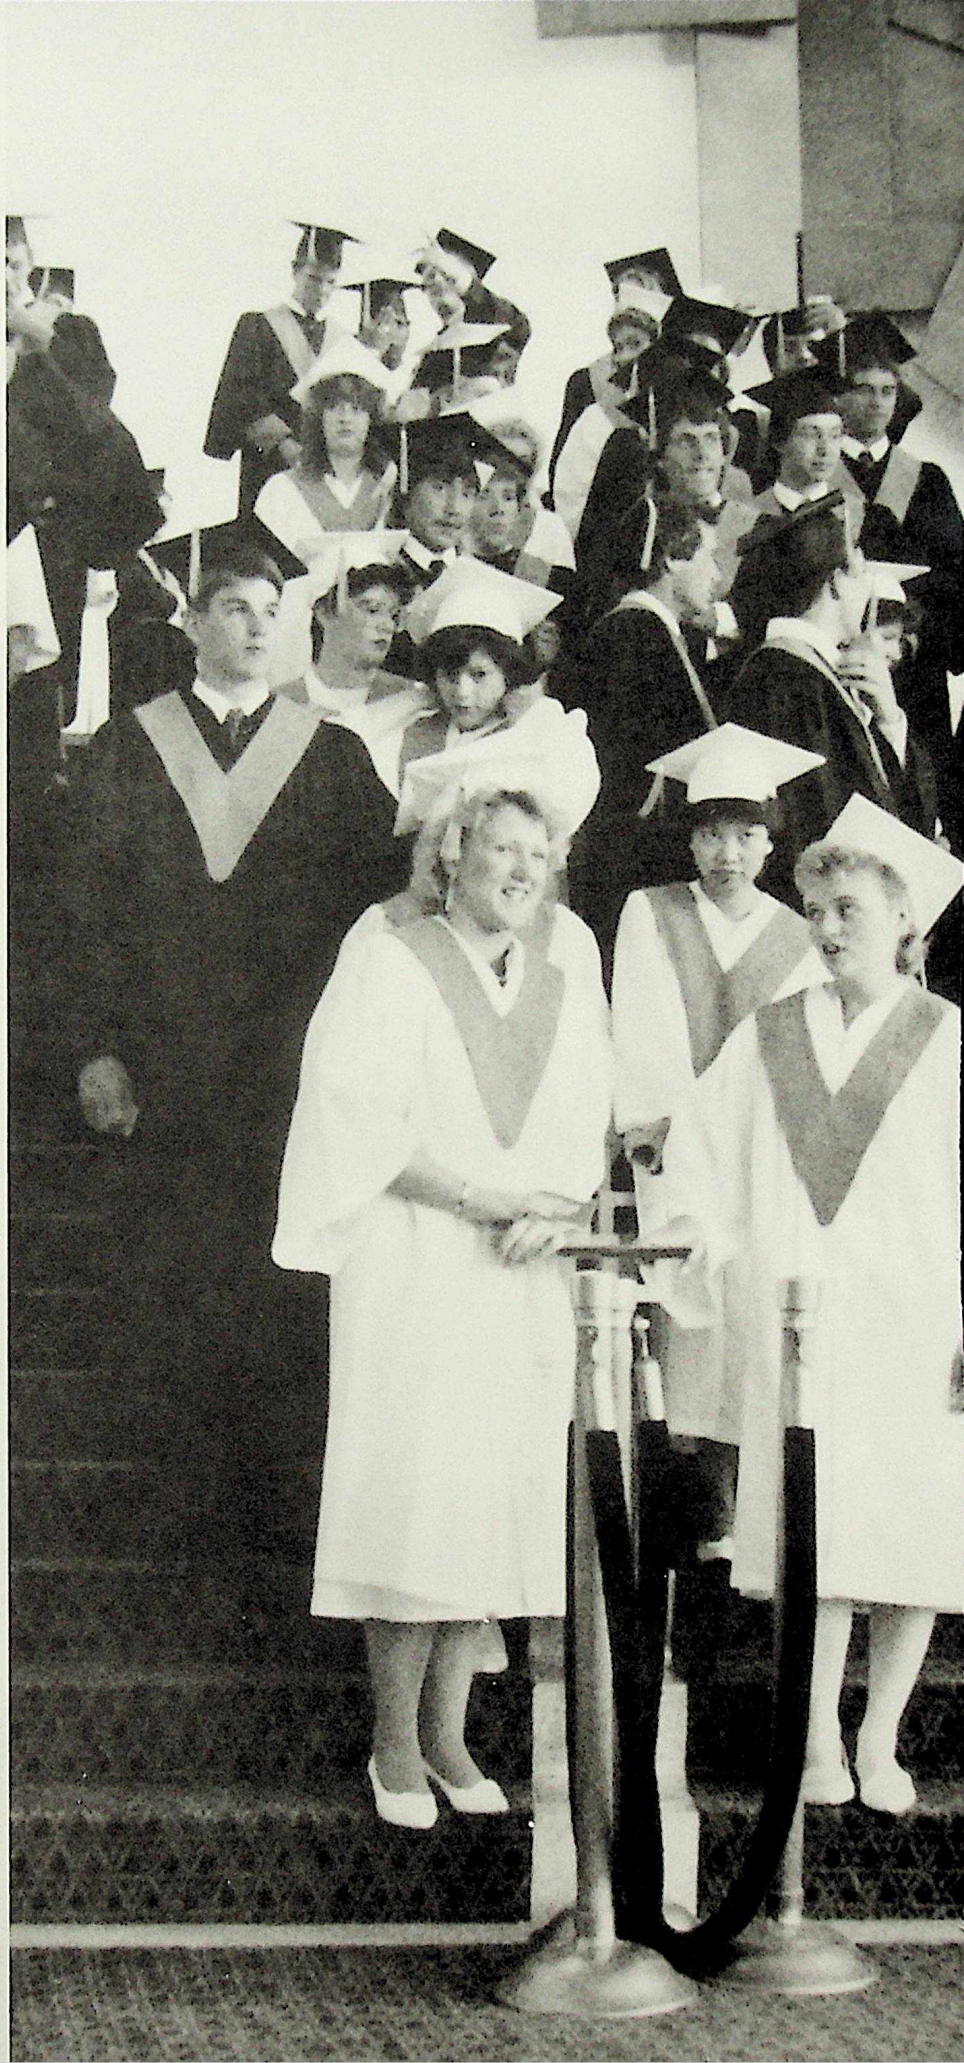

From our three years at Bonnie Doon many memories will stick out in our minds: All the intellectually stimulating nature retreats on Wizard Lake, the seemingly innocent pyjama parties, the ski trips, the canoe trips, all the social get togethers. And who will forget the dances you can't remember?

Bonnie Doon has produced certain types of people: Daredevils or thrill seekers, if you will. These are the people you see everyday diving off couches onto upright beer bottles, or testing the endurance of a Honda Civic in a clump of trees. Another type produced is the scientists. They are the people who perform in depth tests to see how well goldfish adapt to new environments.

On behalf of the graduating class of '85, I would like to take this opportunity to thank certain people for making our High School years memorable. Firstly, the administration and teaching staff for your support and guidance throughout these turbulent years. The new attendance computer for rarely being functional. To the beer strikers for helping us to realize how raunchy American beer really is, and most importantly, to our parents. Without your love, your understanding, and your support, we would not be what we are today ...

In conclusion, Ladies and Gentlemen, I would just like to say that these past three years have been fun years. Through it all, we were still able to find time for an education - but it is, and will be, the fun times that we will remember.

Bill Skorobohach - Class Historian

Good evening ladies and gentlemen, fellow graduates. To both parents and special guests I and the other graduates would like to take this time to express our gratitude to you in joining us on this special evening. This night has been dreamed of for twelve long, tedious years. We have met some obstacles along the way, but inevitably, proving courageous, we have made it this far. Tonight, we join together as one in celebration of victory. This victory, a personal one shared by each of us, is a milestone. A milestone marking the passage into the adult, working and independent world.

This transformation from child to adventure-some adult has not been a rapid change. It could be said it began the day we stepped into our first grade classroom. We were suddenly confronted with a booming teacher wielding a sword of discipline, knowledge and the magnificence of learning. The first years were fun times - learning the alphabet, times tables and the travels and journeys of Dick and Jane. We innocently thought this to be the extent of the wonderful world of learning, little did we know we were only slightly dipping into the vast waters of education.

Progressively, we left each other behind us until we finally reached High School. It startled some of us to realize we had only three years left and these would prove to be not only the most difficult but the most entertaining as well. We were making new friends daily, people who would become associates for these remaining school years and possibly the rest of our lives. We were also discovering the true value of responsibility. Whether it was using the car for the evening, attending class, or behaving in a mature fashion we were still learning and inevitably growing. We were growing in both the physical and mental sense. Problems were now arising that led us to decisions, decisions that led us to maturity. We were forced to deal with tragedy, hopes, fears and insecurity. But, we all conquered through devotion, trust and faith in one another and in ourselves. We now stand tall and proud for we have proven ourselves. Granted, there will definitely be more hardships to come but these hardships will be followed by times of joy. We still have much to look forward to whether it be entering a post-graduate study, acquiring a beneficial job, spending the rest of our lives with a special person or prospering in a career. No matter the choice we will find ourselves becoming a better, more knowledgeable person with each passing day.

In closing I would like to acknowledge to the teachers the gratefulness each student has for your valuable time and knowledge. And to each parent who has supported, loved and had so much patience with each of us, you have given the greatest amount of all. Forever we will be grateful. And to my fellow graduates a personal thank-you. You have enhanced my life and given me fond memories that will be with me always. To each of you I send my best wishes in your endeavours and deeply hope that you succeed in your dreams, as your dreams are the major facet of your future.

Lauri Emblin - Valedictorian

The Grad Executive not only organizes the Grad Tea, Ceremonies and Banquet, but tries to provide other things throughout the year. This year included the sale of jackets, pins and beer mugs; things for the graduands to remember their senior year by. They hosted a "Night As a Nerd" dance, to which neighbouring schools were invited. Also, in order to help the community, gifts for the Santa's Anonymous organization were purchased. This year the Grad Class' gift to the school was five cedar picnic tables for the courtyard. The Class of 1985, will always remember and cherish this year.

Tea for Two-hundred

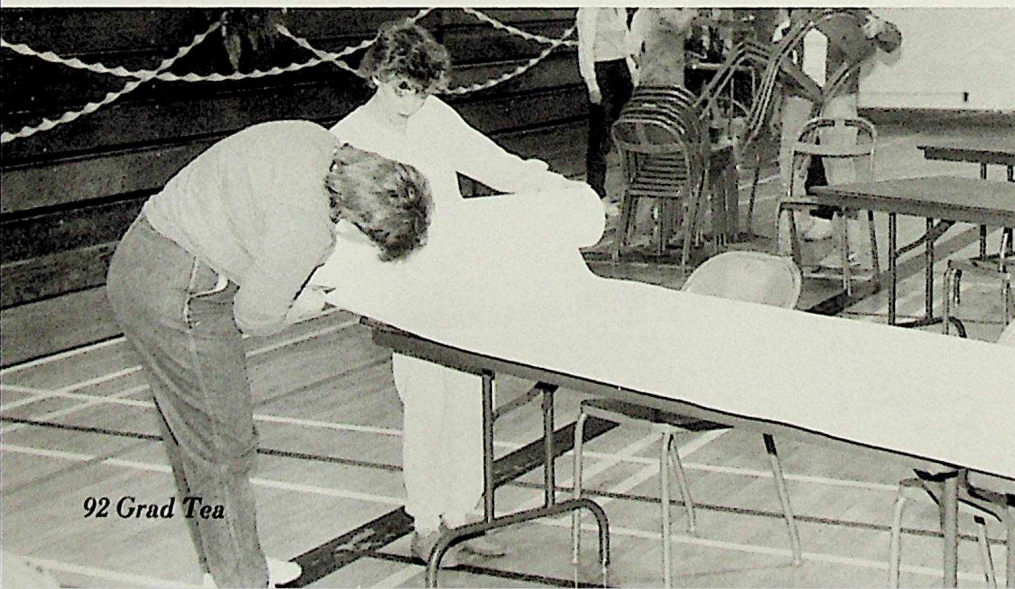

The evening of May 7th became a night of appreciation for all the mothers who attended the 1985 Annual Grad Tea.

The occasion was enhanced by our guest speaker Elizabeth Dawson, as well as various toasts and speeches directed toward the relationships shared with mothers.

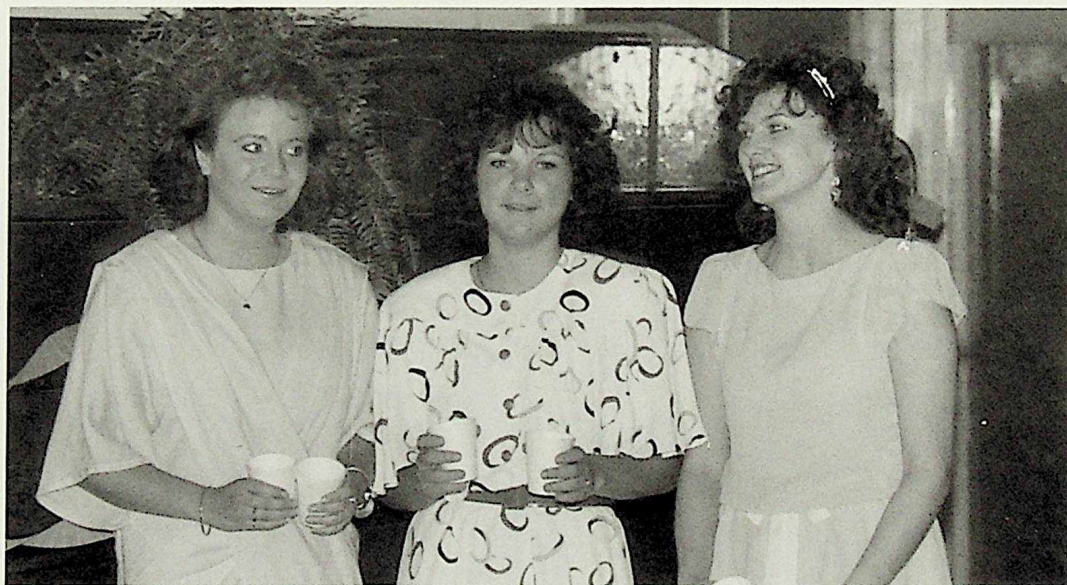

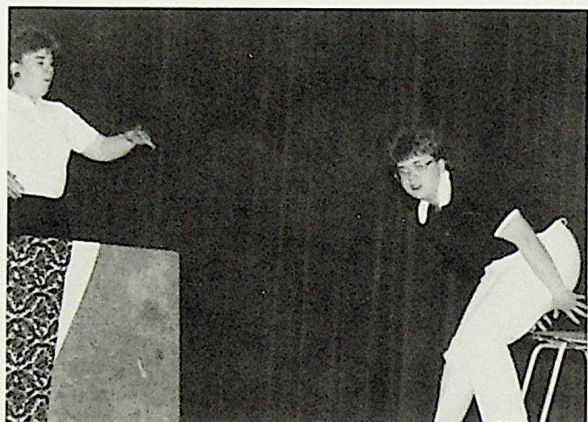

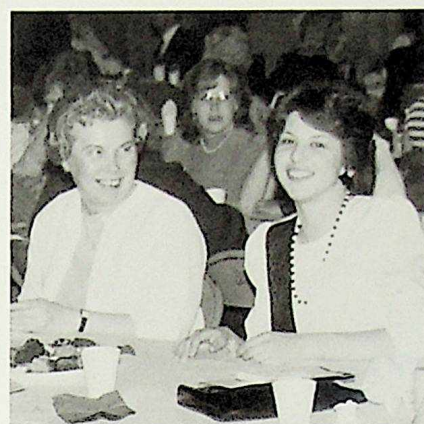

Following the speakers - tea and home baking was served and entertainment was provided by students of music, drama and ballet. A slide presentation of baby pictures was shown for the amusement of all who attended, and closed a very enjoyable evening.

“Times of Your Life”

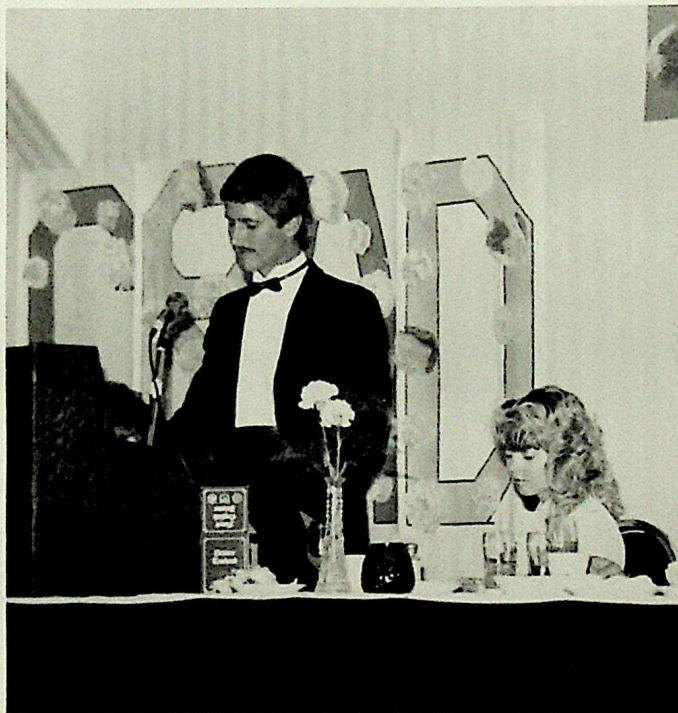

On June 7th, 1985, the Graduating Class of Bonnie Doon High School gathered at the Jubilee Auditorium for their Commencement Exercises. The evening began with a procession of the Class of '85 into the auditorium. Mr. D. Bradford and guest speaker Mr. B. Dean offered their advice, wisdom and best wishes to the graduands. Mr. F. Gainer did an excellent job of Reminiscences. Lauri Emblin, the Valedictorian, gave a special message and the graduands were entertained by Class Historian Bill Skorobohach. Thanks were also expressed to the parents, teachers, and friends. The evening was highlighted by the singing of this year's Grad Theme by Caroline Litke and a duet sung by Patti Stringham and Caroline Litke. This special night was a time for the graduands to look back upon and look forward to ... the "Times of Their Lives."

The Celebration of Our Lives

This year's Grad Banquet was a jubilant celebration and a sad farewell. We rejoiced with the termination of twelve years of education. We also grieved the loss of all our fellow graduands as we move on in our lives. We bade farewell to Const. Eascott, and Mr. Bradford and thanked them for their efforts. After all the formalities we danced, cheered, laughed and generally partied the night away. Comments heard that night ranged from "Is Prime Rib supposed to be THIS rare? ... oh." to "Well, if you have to start setting tables for brunch I guess you can have your tableclothes back. You are interrupting our post-mid-night picnic." There is no doubt that this night will be remembered well by all who participated in it.

The Ones who Capture the Moments

The photographers this year did a marvelous job and without them, completing the Yearbook would have been an impossibility. Special thanks go to Mr. Fred Gainer for all his patience, understanding, help, and great work. The Yearbook staff would also like to thank:

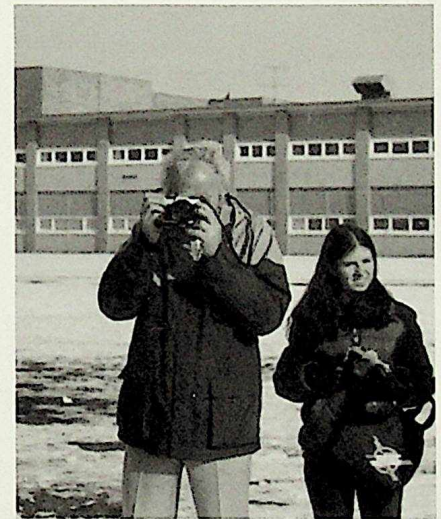

*Mr. H. Ross
Craig Broadbent
Mrs. Spillett
Bill Skorobohach
Mr. Staples
Mr. Conquest*

*the Field Hockey Team
Mrs. Dean
Mr. Barnes
the Cycle Club
the Lancer Cup Photographers
Hilary Challoner*

and any other staff and students who contributed to the success of the Yearbook.

Mr. Fred Gainer

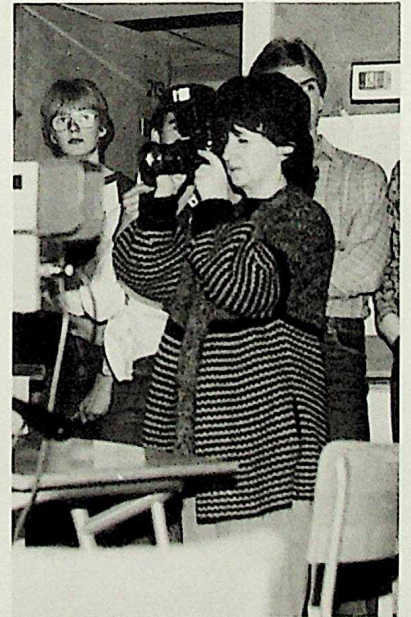

Colleen Poon, Rhonda Schnee, Lisa Hall, Dana Farnell, Stacy Silvester.

The Captives!

You may not realize it, but while most students were carrying on an everyday, normal life in the school, we, a small group of extremely talented, bright, but unlucky people were suffering through the worst sort of torture imaginable. We would remain locked up in the school dungeon (which some try to pass off as the Publications Room), "forced" to work on the Yearbook. Our release would only come upon completion of the Yearbook. In one short year we gained our freedom by miraculously completing the Tam O'Shanter. How, you ask? Well, it was quite simple with our efficient work habits (Middle Left), the use of the most modern equipment (Middle Right), always taking our job seriously (Lower Left), always having a good outlook (Lower Centre), and most importantly having a great leadership provided by Ms. C. Olynk.

Looking Back at ...
